## **Overview of BABASHUVA - A New World. A New Reality:**

By Prophet NathanOr

BABASHUVA - A New World. A New Reality is a spiritual venture initiated by Prophet NathanOr BenZvi. The essence of this movement focuses on enlightenment, unity, divine love, and World Peace. It strives to inspire humanity to return to GOD with sincere repentance, rooted in the concept of teshuva (repentance), derived from the Hebrew word shuv, meaning 'to return' or 'come back.' The name BABA translates to 'Father,' reinforcing the familial relationship between humanity and GOD. Through this, BABASHUVA aims to bring individuals closer to GOD, urging them to open their hearts and align with His will.

### **The Central Message:**

The message of BABASHUVA is both spiritual and revolutionary, promoting the idea of a new world and a new reality shaped by divine principles. At its core, the venture is about awakening the human spirit to the presence and guidance of GOD, calling for a global shift toward righteousness and unity. It encourages individuals to seek spiritual enlightenment not only for themselves but also to spread love and understanding among others.

BABASHUVA emphasizes a reconnection to ancient principles, particularly those derived from Jewish teachings, while offering a fresh, contemporary approach to spirituality. This includes new perspectives relevant to modern-day challenges. The movement calls for people to accept the truth of the Bible, presenting NathanOr's book as a new revelation from GOD, offering further guidance and insight into divine matters.

### **The New Religion:**

BABASHUVA can be understood as a new spiritual movement that blends ancient wisdom with modern spirituality. It is designed to transform the lives of believers by reconnecting them to eternal truths while offering solutions for today's challenges. This movement presents Prophet NathanOr's writings as sacred texts for the future, reflecting a new covenant between GOD and humanity. It positions itself as a call to embrace a new spiritual path.

### **Themes of the Venture:**

1. **Enlightenment:** Encouraging deep self-awareness and spiritual awakening, BABASHUVA seeks to open the eyes of its followers to the truth about the universe, GOD, and their own inner divinity.

**Unity:** One of the primary aims is to unite people across the globe, fostering peace, understanding, and love among all races, creeds, and backgrounds. The movement promotes the idea that humanity, at its core, is one, and divisions are man-made distractions from the divine purpose.

**Divine Love:** The importance of love in all actions is emphasized. BABASHUVA teaches that through divine love, healing - both individually and globally - can be achieved. It is seen as the highest principle through which transformation can occur.

**World Peace:** Ultimately, BABASHUVA seeks to create a reality where the world exists in peace, under the reign of divine justice and love. World Peace is not just an abstract concept, but a practical goal that Prophet NathanOr believes can be achieved by realigning humanity with divine truth.

### **Prophetic Aspect:**

As a messenger of GOD, NathanOr presents himself as a key figure in the fulfillment of BABASHUVA's mission. His personal experiences, visions, and revelations are central to the movement. NathanOr reveals his journey and mission as part of GOD's greater plan for humanity, which includes the realization of the coming Messianic Age. This new era is not only about individual spiritual growth but also about global change, leading to the establishment of GOD's Kingdom on Earth.

### **Sacred Text:**

NathanOr's book, 'BABASHUVA – A New World. A New Reality – The Complete Book – First Edition' is regarded as a cornerstone of this spiritual movement. It is not based on content from the traditional Bible but rather on new revelations, messages, and insights directly inspired by NathanOr's prophetic experiences. The book is written in a biblical style, mirroring ancient Hebrew prophetic texts, yet it addresses contemporary issues, guiding humanity toward a future of hope and divine fulfillment.

### **The Role of the Messiah:**

Within the BABASHUVA movement, the concept of the Messiah is pivotal. The Messiah, as understood in Jewish tradition, is the one who will lead humanity into a new age of peace and divine justice. NathanOr subtly reveals himself as this messianic figure, aligning his teachings and visions with the ultimate goal of ushering in the Messianic Era. His podcast series, particularly the final season titled The Messiah's Sacred Vision, elaborates on the messianic vision and reveals the hidden role of Prophet NathanOr as the Messiah Ben David.

### **Connection to the People:**

One of the key aspects of BABASHUVA is its ability to resonate with individuals on a personal level. It calls for a spiritual return not only on a global scale but also within the hearts of individuals. NathanOr's role is to act as a bridge between GOD and humanity, delivering messages that speak to the soul, offering both comfort and guidance for those who seek deeper meaning in life. He encourages individuals to realize their connection to GOD and understand their place in GOD's plan for the world.

<sup>3</sup> "I will send my messenger, who will prepare the way before me. Then suddenly the Lord you are seeking will come to his temple; the messenger of the covenant, whom you desire, will come," says the LORD Almighty.

<sup>4</sup> "Remember the law of my servant Moses, the decrees and laws I gave him at Horeb for all Israel.

<sup>5</sup> "See, I will send the prophet Elijah to you before that great and dreadful day of the LORD comes. <sup>6</sup>He will turn the hearts of the parents to their children, and the hearts of the children to their parents; or else I will come and strike the land with total destruction."
